Traditional confectionery manufacturer from Salzburg family owned	<p>The history dates back to the 19th century and here the art of confectionery is still cultivated. At Salzburg Schokolade they are particularly proud of the famous “Echte Salzburger Mozartkugel” by Mirabell, manufactured exclusively for Mondelez. Furthermore, national and international partners are provided with labels as Salzburg Schokolade, Maria Theresia or Salzburg Confiserie – but also with private labels. Part of the product range is also the well-known Bobby chocolate bar, an Austrian sweet icon, delicious chocolate specialities, exquisite wafers, chocolate coated products and the distribution of well-known brands of international confectionery manufacturers “all from one source” in Austria. Salzburg Schokolade produces also high quality semi-finished products (frostings, glaces, nougat, fondant, etc.) under the traditional Austrian brand nordpol for professional users as bakers and confectioners. In addition to the plant in Austria, Salzburg Schokolade operates another plant in Plana (Czech Republic), that offers tailor-made co-packing solutions for food and sweets.</p>
